We request the above survey(s) to be done by the Rural Water Energy Program. We understand that there is no charge to the system for this service. This program is sponsored by Department of Environmental Quality and implemented by the Louisiana Rural Water Association. As a requirement to participate in this program we understand that our system is required to repair any problems detected, at the expense of the utility system or the individual(s) property, if applicable. We also understand that all inquiries or requests for special consideration should be directed to LRWA RURAL WATER ENERGY PROGRAM (1-800-256-2591 or 337-738-2896).

Signature

(Mayor, Owner, Manager, other Decision Maker)

Title

Note: Please make sure you have selected one of the surveys (leak survey, meter survey, smoke test, video sewer camera survey, or correlator). This form must be signed by one of the following: Mayor, Owner, Manager, or other Decision-Maker.
