# City of Covington Job Posting

September 22, 2011

The following positions are currently available with the City of Covington. Applications for employment are accepted Monday – Friday, 9:00 a.m. – 3:00 p.m., in the Human Resources Department. This department is located at 317 N. Jefferson St. Applications are accepted for current vacancies only.

## **Public Works Department**

Water Operator II or III – DHH Certifications strongly preferred

Full-time opportunities are available in the Public Works Department for individuals that are experienced Water Operators. Strong preference will be given to candidates with current certifications by DHH in the Water Distribution, Water Production, and Water Treatment. Positions require steady and successful experience and work history with the knowledge of a related trade. These positions require a valid driver's license, excellent driving record and the ability to properly maintain the vehicle in order to take it to the required locations. Must be able to follow safety guidelines when working with equipment to ensure the safety of all employees. Regularly required to climb in and out of trenches and continuously pull hoses up to 100 feet in length that weigh up to 80 pounds. Must have a high school diploma or equivalent in order to obtain certifications. Must be able to see, hear, speak, accept directions, and communicate appropriately in public. Must be able to climb up and down a ladder and perform jobs while on the ladder. Must be able to stoop, lift, pull, and twist. Must have the ability to operate equipment such as a tractor, backhoe, and excavator for up to two continuous hours. The successful candidate must be able to work in a loud work environment and must have the physical abilities to perform the essential job functions of this position. The employee will be exposed to wet, damp, and dirty environments regularly and in extreme weather conditions. If the candidates selected are not certified, they must be able to qualify for certification within six months to one year of employment.

***The duties listed above are not all inclusive and are intended to document some of the responsibilities.***

The City of Covington provides an excellent benefits package to all ***full-time*** employees to include company paid medical, life, long-term disability benefits and retirement plan. Full time employees must contribute to the retirement system through payroll deduction. Candidates must successfully complete a pre-employment/post offer drug/alcohol screening and criminal background check.

Questions can be directed to the Human Resources Department at 892-1811 ext. 732 or email resume and salary history to [jobs@covla.com](mailto:jobs@covla.com).

The City of Covington is an Equal Opportunity Employer.
